REQUIRED ITEMS

This quotation is for the supply and installation of one 1750mm high x 10.0 metre opening, Federation spear top double gates to main car park entry as requested. The gate would be supported by two 150mm x 150mm posts that would be bolted to concrete hob, installed by Olympic Fencing & attached to existing brick pillars with chemical anchor bolts. As the road has a fall, can I suggest that the gate be raked to follow the fall of the driveway with the left hand side gate leaf having a level bottom to allow clearance when opened. The gate would have drop bolts & fitted with a Broadhurst locking system.

Colour will be Satin Black.

PLEASE NOTE: No allowance has been made for the following:

- * Any inductions
- * Any subterranean services searching (unless stated otherwise)
- * Any base plating of posts
- * Any core drilling (other than the two stated)
- * Any digging in rock or hard fill
- * Any demolish or removal from site of any existing fencing
- * Any clearing of fence line of any objects, trees or shrubs
- * Any leveling of fence line
- * Any retaining wall construction
- * Any sleepers
- * Any raking of panels or gates (unless stated otherwise)
- * Any temporary fencing
- * Any traffic/pedestrian control
